

Report from the DDT Global Alliance Steering Committee

David Kapindula,
Steering Committee Chair
7 May 2013, Geneva

Composition of the Steering Committee

- Ten members from Stockholm Convention party countries, *i.e.*, two persons from each region;
- Other members from stakeholders including NGO, donor, academia, industry and IGO;
- The term is for two years, each member can serve maximum two consecutive terms;
- Chairperson elected from amongst the Steering Committee members

Interim Steering Committee, 2009-2011

- Three meetings of the interim Steering Committee were held from 2009 to 2011

- Reports of the meetings are available from the Stockholm Convention DDT website:
<http://chm.pops.int/Implementation/DDT/GlobalAlliance/Activities/tabid/624/Default.aspx>

Interim Steering Committee, 2009-2011

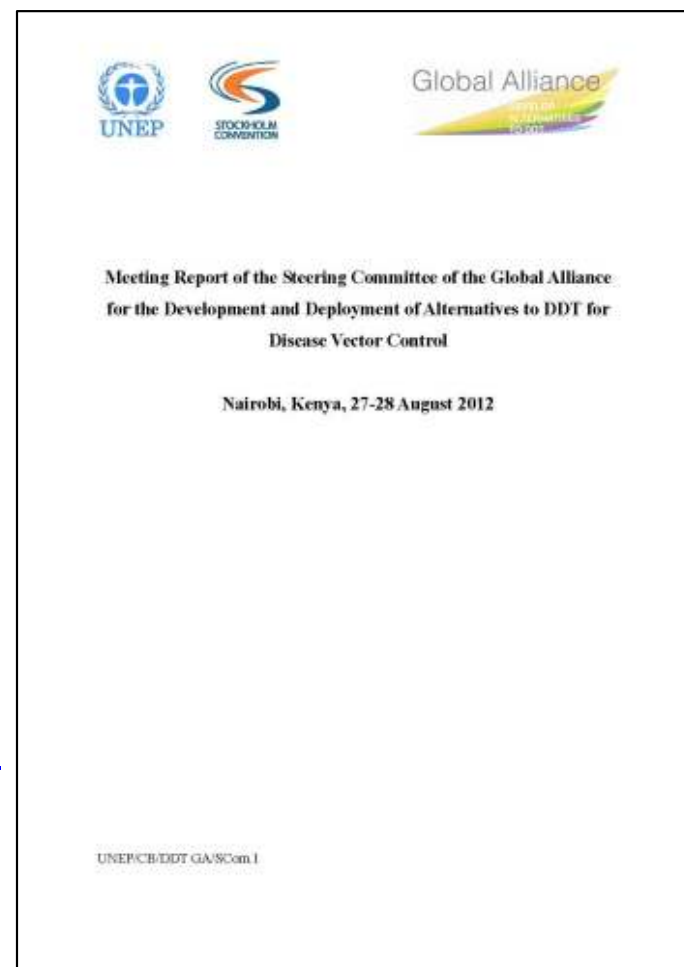

- Outcomes of the interim Steering Committee meetings
1. **First meeting (27-29 October 2009, Geneva, Switzerland):** Agreed to launch the Global Alliance at the 2010 extraordinary meetings of the Conference of the Parties to the Basel, Rotterdam and Stockholm Conventions; developed the key elements of plan of action to facilitate effective implementation of Global Alliance activities; and agreed to establish five Thematic Groups by March 2010 to address the challenges in achieving the Global Alliance goals.
 2. **Second meeting (19-21 May 2010, Delhi, India):** Identified specific, priority activities to be undertaken by the five Thematic Groups; and planned for the first Assembly of the Global Alliance.
 3. **Third meeting (15-16 March 2011, Bonn, Germany):** Reviewed the progress on the establishment of five thematic groups; and finalized the arrangements for the first Assembly of the Global Alliance.

Steering Committee, 2012-2013/2014

9. Any other business

10. Closure of the meeting

First meeting of the Steering Committee, 2012

- Outcomes:

1. Developed and approved the workplan and budget for the Global Alliance activities for 2012-2013 / 2014-2015
2. Workplans and budgets for the five thematic groups were adjusted and the thematic groups were requested to initiate their work
3. Four core activities were identified:
 - (1) Translate all guidance and promotional documents into UN languages;
 - (2) The work of the Steering Committee is made available to all stakeholders in an easily accessible format;
 - (3) Comprehensive Demonstration projects are carried out in at least 10 Parties with 2 from each region to evaluate problems, assess options and design and implement solutions;
 - (4) The Steering Committee prepares a report for each Stockholm COP.

Others activities of the Chair

- Participation at the First Assembly of the Global Alliance, in Geneva, Switzerland, April 2011
- Participation at the Global Policy Roundtable on the use of DDT in Malaria Control, in Geneva, Switzerland, March 2013
- Support the implementation of the Global Alliance activities according to the workplan

Global Alliance

The logo features the text 'DEVELOP ALTERNATIVES TO DDT' in white, bold, sans-serif capital letters. This text is centered over a series of five overlapping, curved swooshes that originate from the left and point towards the right. The swooshes are colored in a gradient: yellow, light green, green, purple, and blue.
