

BC-12/25: Programme of work and budget for the Basel Convention for the biennium 2016-2017

The Conference of the Parties,

Taking note of the financial reports on the Basel Convention trust funds for 2014 and estimated expenditures for 2015 from the Trust Fund for the Basel Convention on the Control of Transboundary Movements of Hazardous Wastes and Their Disposal (Basel Convention Trust Fund),¹

Also taking note of the Office of Internal Oversight Services audit report (number 2014/024), entitled “Provision of efficient and effective Secretariat support to the conventions” and of the efforts made by the Secretariat to quantify the results achieved in implementing joint activities in accordance with the recommendation of the report,

Further taking note of General Assembly resolution 60/283, by which the Assembly approved the adoption of the International Public Sector Accounting Standards by the United Nations,

Recognizing that the International Public Sector Accounting Standards require that full provision be made for doubtful debt in respect of debt that is more than four years in arrears and that proportionate provision be made for more recent arrears and that, as a result, an amount, estimated at 186,984 United States dollars, will have to be deducted from the end 2014 fund balance of the Basel Convention Trust Fund to cover doubtful debt and cannot be used for the benefit of all parties during the biennium 2016–2017,

I

Trust Fund for the Basel Convention on the Control of Transboundary Movements of Hazardous Wastes and Their Disposal

1. *Takes note* of the recommendation of the Office of Internal Oversight Services to establish a single operational account for staff costs, and in this regard invites the Executive Director of the United Nations Environment Programme to provide additional information, which will be immediately made available through the bureaux of the conferences of the parties to the Basel Convention on the Control of Transboundary Movements of Hazardous Wastes and Their Disposal, the Rotterdam Convention on the Prior Informed Consent Procedure for Certain Hazardous Chemicals and Pesticides in International Trade and the Stockholm Convention on Persistent Organic Pollutants, on the practical implications of such a measure and on the establishment of a single joint general trust fund for the Basel, Rotterdam and Stockholm conventions and to make proposals on any required changes to the financial rules, which will inform a decision at the next meetings of the conferences of the parties;
2. *Invites* the Executive Director of the United Nations Environment Programme to explore the possibility of establishing a single joint voluntary trust fund for the Basel, Rotterdam and Stockholm conventions, to provide information to the bureaux as soon as possible and to present proposals at the next meetings of the conferences of the parties;
3. *Approves* the programme budget for the Basel Convention for the biennium 2016–2017 of 4,800,854 United States dollars for 2016 and 4,603,990 United States dollars for 2017 for the purposes set out in table 1 of the present decision, which are presented by budget code line in table 2 of the present decision;
4. *Authorizes* the Executive Secretary of the Basel Convention to make commitments in an amount up to the approved operational budget, drawing upon available cash resources;
5. *Decides* to maintain the working capital reserve at the level of 15 per cent of the annual average of the biennial operational budgets for 2016–2017;
6. *Adopts* the indicative scale of assessments for the apportionment of expenses for the biennium 2016–2017 set out in table 4 of the present decision, and authorizes the Executive Secretary, consistent with the Financial Regulations and Rules of the United Nations, to adjust the scale to include all parties for which the Convention enters into force before 1 January 2016 for 2016 and before 1 January 2017 for 2017;

¹ See UNEP/CHW.12/INF/39.

7. *Recognizes* that contributions to the Basel Convention Trust Fund are due by or on 1 January of the year for which those contributions have been budgeted, requests parties to pay their contributions promptly, encourages parties in a position to do so to pay their contributions by 16 October 2015 for the calendar year 2016 and by 16 October 2016 for the calendar year 2017, and requests the Secretariat to notify parties of the amount of their contributions as early as possible in the year preceding the year in which they are due;

8. *Notes with concern* that a number of parties have not paid their contributions to the Basel Convention Trust Fund for 2014 and prior years, contrary to the provisions of paragraph 3 (a) of rule 5 of the financial rules, and urges parties to pay their contributions promptly, by or on 1 January of the year to which the contributions apply;

9. *Decides*, with regard to contributions due from 1 January 2010 onwards, that no representative of any party whose contributions are in arrears for two or more years shall be eligible to become a member of the Bureau of the Conference of the Parties or a member of any subsidiary body of the Conference of the Parties, provided, however, that this shall not apply to parties that are least developed countries or small island developing States or to parties that have agreed on and are respecting a schedule of payments in accordance with the financial rules;

10. *Recalls* the provisions of paragraph 3 (e) of rule 5 of the financial rules on outstanding contributions due from 1 January 2001 onwards, and decides that no representative of any party whose contributions are in arrears for four or more years and that has not agreed on or is not respecting a schedule of payments implemented in accordance with paragraph 3 (d) of rule 5 of the financial rules shall be eligible to receive financial support to attend intersessional workshops and other informal meetings, as arrears that have been outstanding for more than four years have to be treated as 100 per cent doubtful debts under the International Public Sector Accounting Standards;

11. *Requests* the Executive Secretary, and invites the President of the Conference of the Parties, to notify, through a jointly signed letter, the ministers of foreign affairs of those parties whose contributions are in arrears, inviting them to take timely action, and to thank those parties that have responded in a positive manner in paying their outstanding contributions;

12. *Decides* to further consider additional incentives and measures to address arrears in core budget contributions to the Convention in an effective and efficient manner at its next meeting;

13. *Takes note* of the indicative staffing table for the Secretariat for the biennium 2016–2017 used for costing purposes to set the overall budget, which is set out in table 5 of the present decision;

14. *Authorizes* the Executive Secretary to continue to determine the staffing levels, numbers and structure of the Secretariat in a flexible manner, provided that he remain within the overall cost of the staff numbers set out in table 5 of the present decision for the biennium 2016–2017 as recommended by the Office of Internal Oversight Services in its audit report;

15. *Invites* the Executive Director of the United Nations Environment Programme to continue to ensure that staff training to comply with United Nations mandatory training for staff members is financed from programme support costs since it represents an overhead cost in the operations of the Secretariat;

II

Trust Fund to Assist Developing Countries and other Countries in Need of Technical Assistance in the Implementation of the Basel Convention

16. *Takes note* of the funding estimates included in table 3 of the present decision for activities under the Convention to be financed from the Trust Fund to Assist Developing Countries and other Countries in Need of Technical Assistance in the Implementation of the Basel Convention on the Control of Transboundary Movements of Hazardous Wastes and Their Disposal (Technical Cooperation Trust Fund) in the amount of 4,719,210 United States dollars for 2016 and 4,333,947 United States dollars for 2017;

17. *Notes* that the Technical Cooperation Trust Fund requirement presented in the budget represents its best efforts to be realistic and reflects priorities agreed by all parties and urges parties and invites non-parties and others to make voluntary contributions to the Technical Cooperation Trust Fund so as to encourage contributions from donors;

18. *Also notes* the importance of having funding available in the Technical Cooperation Trust Fund for the participation in the meetings of the Convention of developing-country parties, in

particular the least developed countries and small island developing States, and parties with economies in transition;

19. *Urges* parties, and invites others in a position to do so, to contribute urgently to the Technical Cooperation Trust Fund with a view to ensuring the full and effective participation of developing-country parties, in particular least developed countries and small island developing States, and parties with economies in transition, in the meetings of the Conference of the Parties;

III

Preparations for the next biennium

20. *Decides* that the two trust funds for the Convention shall be continued until 31 December 2017 and requests the Executive Director of the United Nations Environment Programme to extend them for the biennium 2016–2017, subject to the approval of the United Nations Environment Assembly of the United Nations Environment Programme;

21. *Requests* the Executive Secretary, in the context of the report on the implementation of joint and convention-specific activities, to include a section on the gender action plan;

22. *Also requests* the Executive Secretary, bearing in mind decision BC.Ex-2/1 on enhancing cooperation and coordination among the Basel, Rotterdam and Stockholm conventions, further to enhance efficiency in the use of financial and human resources in accordance with the priorities set by the Conference of the Parties and to report on the outcome of his efforts in that regard;

23. *Further requests* the Executive Secretary to prepare a budget for the biennium 2018–2019, for consideration by the Conference of the Parties at its thirteenth meeting, explaining the key principles, assumptions and programmatic strategy on which the budget is based and presenting expenditures for the 2018–2019 period in both a programmatic format and by budget code line;

24. *Notes* the need to facilitate priority-setting by providing parties with timely information on the financial consequences of various options and, to that end, requests the Executive Secretary to include in the proposed operational budget for the biennium 2018–2019 two alternative funding scenarios that take account of any efficiencies identified as a result of paragraph 22 above and are based on:

(a) The Executive Secretary's assessment of the required changes in the operational budget, which should not exceed a 5 per cent increase on the 2016–2017 level in nominal terms, to finance all proposals before the Conference of the Parties that have budgetary implications;

(b) Maintaining the operational budget at the 2016–2017 level in nominal terms;

25. *Requests* the Executive Secretary to report to the Open-ended Working Group and to the Bureau on all sources of income received, including the reserve and fund balances and interest, together with actual, provisional and projected expenditures and commitments, and to report on all expenditures against the agreed budget lines;

26. *Also requests* the Executive Secretary at the thirteenth ordinary meeting of the Conference of the Parties to provide, where relevant, cost estimates for actions that have budgetary implications that are not foreseen in the draft programme of work but are included in proposed draft decisions before the adoption of those decisions by the Conference of the Parties;

27. *Stresses* the need to ensure that the proposal for the 2018–2019 Technical Cooperation Trust Fund requirement presented in the budget is realistic and represents agreed priorities of all parties so as to encourage voluntary contributions from all sources.

⁷⁹ The 2016 and 2017 costs apportioned among parties have been reduced by US\$2,000 annually to correct an error in the calculation of parties' contributions for the 2014–2015 biennium arising from the fact that costs that should have been funded from the Fund Balance were inadvertently apportioned among parties.
